Dementia Care in Buckinghamshire
The time to act is now!

Current support and services include:

☑ Memory Advice Service
☑ Memory clinics closer to home
☑ Dementia-Friendly communities
☑ Support at home for those with Dementia
☑ Support for family carers

BUT ... how can we meet the challenges of a more enhanced, integrated service to support and ensure:

- people with dementia and their carers avoid unnecessary admission to hospital
- timely discharge from hospital and avoid returning due to lack of community support
- better end of life options so people with dementia do not have to spend their last days in hospital
- the best possible support at all points of their journey
- appropriate and clear information
- support for young people at risk

What’s YOUR view?
Tell us what you think of our ideas
Come to our workshop and help us get Dementia services right for Buckinghamshire

Aylesbury Vale and Chiltern Clinical Commissioning Groups, in partnership with Buckinghamshire County Council, are putting together the specification to enhance Dementia Services for the future. We need YOUR help to get it right.

FRIDAY, 3 July 2015
Green Park Conference Centre, Aston Clinton HP22 5NE
